

Core Plus Bond Strategy

September 2018

OBJECTIVE

The Core Plus Strategy seeks to outperform the Bloomberg Barclays Aggregate Index through a corporate credit focused approach.

INVESTMENT STRATEGY

The Strategy seeks its objective by investing primarily in investment grade corporate bonds, with the ability to invest up to 40% in non-investment grade sectors, primarily high yield bonds and bank loans rated BB/B. The Strategy maintains a duration range of +/- two years to that of the Bloomberg Barclays Aggregate Index.

DIFFERENTIATING FEATURES

We focus on fundamental corporate credit research across the credit spectrum. Our single integrated research and portfolio management team's coverage through the capital structure provides the perspective to identify opportunities and relative value through all areas of the credit markets.

Investment team consists of 21 professionals who, on average, have 17 years investment experience and have worked together for over 11 years.

STRATEGY BENEFITS

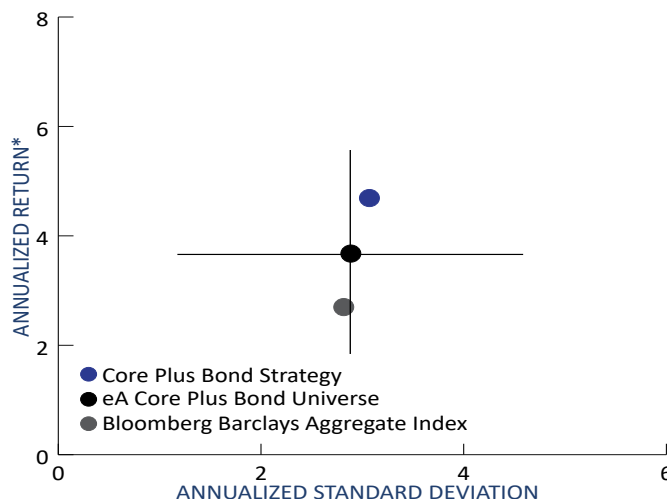

The Strategy provides investors a corporate credit focused portfolio with the ability to invest through the entire capital structure.

This flexible approach provides access to our investment team's expertise throughout the credit spectrum in managing Investment Grade, High Yield, and Bank Loan securities.
